[Text on screen]: George W. Bush and Clifford Taylor, political soldiers for the rich.

[George Bush]: "The best way to keep judges in Michigan from substituting their own political views

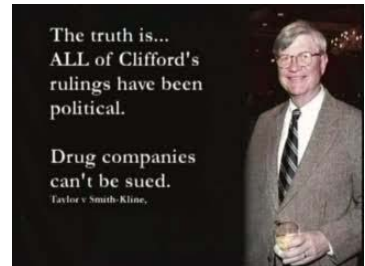

for the clear principles of the Constitution is to elect

more judges like Cliff Taylor on the Michigan Supreme Court."

[Text on screen]: The truth is... All of Clifford's rulings have been political.  
 [Announcer]: Drug companies

can't be sued. Women raped at work can not sue their employers.

Michigan's environment can not be protected by ordinary citizens.
