1 I, Marina S. Petrienko, hereby declare as follows:

2 1. I am over 18 years old, a United States citizen, and a resident of the state of
3 Washington. I live at 18805 SE 13th Street, Vancouver, Washington 98683. I became a
4 United States citizen last year.

5 2. On December 15, 2005, shortly after I became a citizen, I attempted to
6 register to vote for the first time by filling out a voter registration form, which I completed
7 and submitted to a person conducting a voter registration drive. I wrote down my name,
8 address, date of birth, telephone number, and the last four digits of my Social Security
9 number on the form. The information I wrote down is accurate. A copy of the registration
10 form I filled out is attached as Exhibit A.

11 3. In listing my date of birth, April 16, 1975, I used the "date/month/year"
12 format, or "16/04/75," which is commonly used in the country where I'm originally from. I
13 note that it appears someone has re-written my date of birth on my registration form using
14 the "month/date/year" format, or "4/16/75." However, it appears from records of my
15 registration that I have been shown (attached as Exhibit B) that someone inputted the wrong
16 year, 1976 instead of 1975.

17 4. I understand from my husband that some time after I submitted the
18 registration form, we received a written notice saying that there was some problem relating
19 to my Social Security number. My husband called the number listed on the notice and
20 confirmed that the last four digits of my Social Security number were as I had written them
21 on the form.

22 5. From the documents I have been shown, it now appears that I have not been
23 registered as a result of the fact that someone other than me wrote down the wrong year for
24 my birth date. I would not have learned this if I had not been contacted by the lawyers for
25 the plaintiffs in this case.
