[Announcer]: All across Wisconsin, whether conservative or liberal, people agree, Mike

Gableman has gone just too far. A respected former

Supreme Court justice calls his ad awful and a new low.

An independent state bar panel says Mike Gableman's actions are contemptible,

disgraceful, race-baiting and unbecoming of a

judge. And now charges that Gableman even violated the code of

conduct for judges. Tell Mike Gableman we need higher ethical standards for our judges.
